

Aboveairinc.com

- Packaged Ducted Condenser Air Indoor Units - Horizontal & Vertical
- Mission Critical/Data Center Computer Room Units
- WS Heat Pumps (1/2 to 30 tons)
- Glycol Dry Coolers & Pump Packages
- High % OA rooftop units (5 to 72 tons)

- Floor Mounted/Vertical Upright Unit Ventilators packaged/split/CW/WSHP
- Ductless Ceiling Mini-Split Cassettes-DX, Heat Pump, and Chilled Water
- Unit Heaters- Hot Water, Steam
- Cabinet unit heaters

Baltimoreaircoil.com

- Cooling Towers
- Closed Circuit Fluid Coolers
- Evaporative Condensers
- Ice Storage Systems
- Modular fluid coolers - Nexus
- Endura Drive
- Evertough construction option

- AHRI Certified
- 500 - 4000 cfm
- High Latent Energy recovery
- Indoor/Outdoor units
- Non Freezeable core down to -30°F
- ECM fans
- 10 year core warranty

Ruskinrooftopsystems.com

- Indoor/Outdoor Energy Recovery Ventilators (120 to 13,000 CFM)
- Energy Recovery wheels/CORE
- Cooling DX/CW
- Post Heating Electric/Gas/HW

- Chemical Free/Sustainable Water Treatment
- Environmentally friendly/LEED points

Friedrich.com

- Packaged Terminal Air Conditioning
- Cooling/Heat Pump w/Electric Heat
- Indoor Vertical Packaged Units - Ducted (used in Condos, Hotels, etc.)
- Ductless Mini-Split System AC units
- Vertical Variable Capacity Pkgd unit
- Fresh Aire PTAC

Greasemaster.com

- Kitchen Hoods
- Stainless steel welded ductwork
- Make up air units up to 100,000 cfm
- Industrial/Warehouse make up air units
- Exhaust fans, HVLS fans
- Dedicated outdoor air units (DOAS)

Innoventair.com

- Custom AHU & packaged DX Units
- Penthouse Units
- Air, Evaporative, and Water Cooled
- Energy Recovery Units
- Pool/Desiccant/Ice Rink Dehumidification

Kelvion.com

- Gasketed & Brazed Plate Heat Exchangers - AHRI certified
- Dry Coolers
- Adiabatic coolers

Klimor.com

- Indoor/Outdoor Air Handlers- up to 37,000 cfm
- Modular, double wall construction
- Knock down with factory reassembly
- Energy recovery using heat wheels & plate heat exchangers

Lennoxcommercial.com/products/heating-cooling/lennox-vrf

- Standard Heat Pump & Heat Recovery VRF Outdoor Units from 6-42 Tons
- Low Ambient VRF Outdoor Units from 6-30 Tons
- Ductless and Ducted Indoor units in various configurations
- Mini VRF systems up to 5 tons

Lumalier.com

- Advanced UV-C light germicidal disinfection (no ozone produced)
- Improved health & human wellness
- Increased energy efficiency
- HVAC maintenance reduction

Motivaircorp.com

- Critical cooling applications
- Air/water cooled TurboCor/Screw/Scroll chillers
- Free cooling waterside economizer
- Water/Air source heat pump chillers
- Medical chillers: MRI/LINAC
- Low temp to -25F

Right Fit. Right Now. Precision-coils.com

- Manufacturing of chilled water coils, hot water coils
- Steam Coils, DX coils, condenser coils
- Quick ship program for emergency coil replacements

Puroflux.com

- Water Filtration Systems/Separators
- Custom pump packages/skids
- Custom control panels (ETL listed)

Seasons4.net

- Custom air handling units & packaged DX
- All aluminum construction
- Multizone replacement
- Air and Evaporative cooled
- Scroll & Screw compressors available
- Triple Deck multizone

Superiorradiant.com

- Complete Line of Infrared Heating Products
- 35-40% fuel savings
- Industry leader ten sided reflector
- Premier Vacuum System Infrared Heaters from 20-250 MBH
- NJ Rebates available

Valentair.com

- Semi - Custom DX Rooftop Units
- 100% OA
- Enthalpic Core - Factory installed energy recovery with latent and sensible recovery
- Energy Recovery (Fixed Plate OR HW)
- Air Cooled, Air/Water Source HP, CW
