1661 Route 22 West, Bound Brook, NJ 08805 P: (732)-893-8585 F: (732)-893-8588

AIREDALE

air conditioning for every environment

www.modinehvac.com

A division of Modine Manufacturing

- Floor Mounted/Vertical Upright Unit Ventilators
- Packaged / Split Air Cooled/Remote cond. units
- Heat Pump / Water Cooled
- Energy Recovery (wheel & plate)
- Dehumidification & Gas Heat factory installed
- DDC controls (mounting of controls by others)
- Traditional "under the window" and "above ceiling" Unit Ventilators

BALTIMORE AIRCOIL COMPANY

www.baltimoreaircoil.com

- Cooling Towers
- Closed Circuit Fluid Coolers
- Evaporative Condensers
- Ice Storage Systems

ENERVENT

www.ruskinrooftopsystems.com

A division of Ruskin Rooftop Systems

- Indoor / outdoor Energy Recovery Ventilators
- Sizes from 117 to 13,000 CFM

www.flowtechsystems.com

- Chemical Free Sustainable Water Treatment
- Environmentally friendly/LEED points

FRASER-JOHNSTON

Heating ■ Air Conditioning

www.fraserjohnstoncommercial.com

- Part of Unitary Products Group (division of JCI/York)
- Packaged Hi-Efficiency RTU's to 40 tons
- Split Condensing Units & Air Handlers (7 – 50 tons)
- Direct replacement for many generic RTU manufacturers
- 1-5 ton residential split systems with indoor furnaces

FRIEDRICH

www.friedrich.com

- Packaged Terminal Air Conditioning
- Cooling or Heat Pump w/Electric Heat
- Indoor Vertical Packaged Units - Ducted Supply (used in Condos, Apartments, Hotels, Rentals)
- Ductless Split Systems/Portable AC units

Innovent

Air Handling Equipment

www.innoventair.com

- Air Cooled, Evaporative Cooled, Water Cooled
- Custom Packaged DX Units & Penthouse Units
- Energy Recovery Units
- Pool/Desiccant/Ice Rink Dehumidification
- Multizone Replacement
- Packaged/Self Contained Water Cooled Units

Kelvion

www.kelvion.com

- Gasketed & Brazed Plate Heat Exchangers – AHRI certified
- Dry Coolers

Klimor

www.klimor.com

- Indoor/Outdoor Air Handlers
- 600 – 21000 cfm
- Modular, double walled construction
- Energy Recovery Factory installed
- Direct Drive Plenum Fans
- Rigid Frame construction

Panasonic

Heating and Air Conditioning Solutions

<http://business.panasonic.com/products>

- Variable Refrigerant Flow (VRF), Multi-Zone, Heat Pump & Heat Recovery Sys
- Manufacturer of Ductless splits since 1983
- 208-230 and 460V units

PRECISION COILS

www.precision-coils.com

- Manufacturing of chilled water coils, hot water coils.
- Steam Coils, DX coils, condenser coils
- Quick ship program for emergency coil replacements

PUROFLUX CORPORATION

www.puroflux.com

- Water Filtration Systems / Separators
- Custom packaged pump packages/skids
- Custom control panels (ETL listed)

www.seasons4.net

- All aluminum construction
- Multizone replacement
- Packaged DX (air and evaporative cooled)
- Scroll & Screw compressors available
- Factory mounting of DDC controls by others

valent

www.valentair.com

- Semi - Custom DX Rooftop Units
- 100% OA
- Enthalpic Core - Factory installed energy recovery with latent and sensible recovery
- Energy Recovery (Fixed Plate OR HW)
- Air Cooled, Air/Water Source HP, CW
- Horizontal S/R duct connections
- Split system air cooled condensing

Smarter from the Ground Up™

www.waterfurnace.com

- Water Source & Geothermal HP
- Horizontal/Vertical arrangement
- Water to Water Chillers (Reversible)
- Water Cooled and Heat Pump Chillers 60-140 tons
- Modular Scroll Chillers available in 20 – 80 ton sizes

The Whalen Company

Always the perfect fit.™

www.whelancompany.com

- Vertical/High Rise/Stackable Water Source Heat Pumps
- Customizable for retrofit applications
- Factory provided water risers & single riser w/circulator pumps
- Factory installed customer furnished controls
- Hybrid Heat Pump (Cooling with Hot Water Heat)
